I got my ipod
Shake my body
You got me going
So naughty, naughty

Hey Mr. Music, keep me focused
Keep me moving, like you promised
Take me back to another time
Play that track, c'mon, press rewind

Hey Mr. Music, c'mon and rock me
You're so explosive, you really shock me
In my soul, under my skin
When it's done, play it over again

I love music, I love it, I love it
I love music, I love it, I love it
I love music, I love it, I love it
I love music, I love it, I love it

Hey Mr. Music, you get me through it
You play it for me, know how to choose it
You make me happy, make me cry
You're always there in every part of my life

Hey Mr. Music, c'mon and take me
You got me dreaming, shake me, wake me
Never stop, always in my mind
All day, all night, Mr. Overtime

I love music, I love it, I love it
I love music, I love it, I love it
I love music, I love it, I love it
I love music, I love it, I love it

I need your help
Get me through, another day
Friday's been dragging on
Now I'm out, it's time to play

Belly up, belly up to the ball, boy
Let the belly be seen

Belly up, belly up to the ball, boy
Like a party machine

Belly up, belly up to the ball, boy
Let the belly be seen
Belly up, belly up to the ball, boy
Like a party machine

I love music, I love it, I love it
I love music, I love it, I love it
I love music, I love it, I love it
I love music, I love it, I love it

I love music, I love it, I love it
I love music, I love it, I love it
I love music, I love it, I love it
I love music, I love it, I love it

I got my ipod
Shake my body
You got me going
So naughty, naughty

I got my ipod
Shake my body
You got me going
So naughty, naughty

I love music
