My Prayer For You

Spoken:

C'mon honey
it's time to go to bed
what do you mean you're afraid?
afraid of what?
don't you know that God watches over
the whole world and the whole universe
and He's big enough to protect you and me
oh, of course I'll sing
shhh.... go to sleep

And if I only had one wish
and if I only had one prayer
as I hold you in my arms, it's true
my prayer would be for you

To God who organized the sky
and still finds time for you and I
this I promise will forever be true
my prayer is still for you

For you, God's love, it has no limit
for you, you never need to fear
so learn to climb the highest mountain
and may God's spirit meet you there
in prayer...that's my prayer

Spoken:

Oh yes Lord...we love You so much we give You the
glory and
the honor for all the gifts that You've given unto us.
And we thank You that You are able to keep that which
we've
committed to You against that day, and we thank You
that
your angels watch over us, and goodness and mercy
shall
follow us all the days of our lives and that we dwell in
the

secret place of the Most High forever and ever...Amen.

To God who organized the sky
and still finds time for you and I
this I promise will forever be true
my prayer will be for you
this my child is true my prayer will be for you.
