I've been so many places in my life and time
I've sung a lot of songs, I've made some bad rhymes
I've acted out my life in stages
With ten thousand people watching
But we're alone and I'm singing my song for all of you
I know your image of me is what I hope to be
I treated you unkindly but boy can't you see
There's no one more important to me
Baby can't you please see through me
Cause we're alone now and I'm singing my song for all
of you
I love you in a place we're there's no space or time
I love you for my life cause you're friends of mine
And when my life is over
Remember when we were together
We were alone and I was singing my song for all of you
You taught me precious secrets of the truth withholding
nothing
You came out in front I was hiding
But now I'm so much better and if my words don't come
together
Listen to the melody
Cause my love's in there hiding
I love you in a place where there's no space or time
I love you for my life cause you're friends of mine
And when my life is over
Remember when we were together
We were alone and I was singing my song for all of you
Thank you people
Thank you people oh yeah
And you will help me every step of the way
Yes you will
And I will sing my song for all of you.....
