Another Monday morning  
Another five day week ahead  
Such a lonely weekend  
It's been sleeping on a half filled bed

Got those need-a-man blues  
And I need a man so bad  
Got those need-a-man blues  
And it's driving me mad

All the evening people  
Dressing up just to get undressed  
And me I'm stuck at home  
Losing more and gaining less

Got those need-a-man blues  
And I need a man so bad  
Got those need-a-man blues  
And it's driving me mad

Emptiness inside  
Empty as a glass in my hand  
Whiskey friend of mine  
Help me make it easy without

Got those need-a-man blues  
And I need a man so bad  
Got those need-a-man blues  
And it's driving me mad

Baby, baby, baby  
Goes the singer on my hi-fi  
Honey, honey, honey  
My reply

I've got those need-a-man blues  
And I need a man  
Got those need-a-man blues  
And it's driving me mad

Emptiness inside  
Empty as a glass in my hand

Whiskey friend of mine  
Help me make it easy without

Got those need-a-man blues  
And I need a man so bad  
Got those need-a-man blues  
And it's driving me mad

All the evening people  
Dressing up just to get undressed  
And me I'm stuck at home  
Losing more and gaining less

Got those need-a-man blues  
And I need a man so bad  
I've got those need-a-man blues  
And it's driving me mad

Need-a-man blues  
And it's driving me mad
