Barbra

It's raining, it's pouring

My lovelife is boring me to tears, after all these years

Donna

No sunshine, no moonlight, no stardust, no sign of
romance

We don't stand a chance

Barbra

I always dreamed I'd find the perfect lover

But he turned out to be like every other man

I've loved,

I've loved

Both

Raining (raining)

Pouring (pouring)

There's nothing left for us here

And we won't waste another tear

Donna

If you've had enough, don't put up with his stuff, don't
you do it

Barbra

If you've had your fill, get the check pay the bill, you
can do it

Donna

Tell him to just get out,

Barbra

Nothing left to talk about

Donna

Pack his raincoat show him out

Both

Just look him in the eye and simply shout:

Enough is enough

I can't go on, I can't go on no more no
Enough is enough
I want him out, I want him out that door now

Enough is enough
Enough is enough
That's enough

Donna
If you've reached the end, don't pretend that is right
when it's over

Barbra
(it's over)
If the feeling is gone don't think twice just move on, get
it over

Donna
(over, over)

Both
Tell him to just get out, say it clearly, spell it out:
Enough is enough is enough
I can't go on, I can't go on no more no
Enough is enough is enough
I want him out, I want him out that door now

Enough is enough
Enough is enough
That's enough

Barbra
I always dreamed I'd found the perfect lover,
But he turned out to be like every other man
I've loved (I had no choice from the start)
I've loved (I've gotta listen to my heart)
I've loved (Tearing us apart)

Enough is enough is enough
I can't go on, I can't go on no more no
Enough is enough is enough
I want him out, I want him out that door now

Enough is enough
Enough is enough
That's enough

Both
No more tears (No more tears)
No more tears (No more tears)
No more tears (No more tears)

No more tears (No more tears)
Enough is enough is enough is enough is enough is
enough
I've had it, you've had it, she's had it, we've had it

Donna
I always dreamed I'd found the perfect lover,

Barbra
But he turned out to be like every other man

Both
I had no choice from the start
I've gotta listen to my heart
Tearing us apart

Enough is enough is enough
I can't go on, I can't go on no more no
Enough is enough is enough
I want him out, I want him out that door now

Goodbye mister, goodbye, goodbye mister
Goodbye sugar

It's raining, it's pouring,
There's nothing left for us here
And we won't waste another tear

No more tears
Is enough is enough is enough is enough is enough is
enough is enough
Is enough!
