There's a rumour.

Baby
rumour has it all around this town
Someone's looking for a girl like me
where can she be found
I hope it's who I think it is
I wonder if it's really him
It's gotta be the man I love
no one else but him

Rumour has it

You never know just what you've won until you've lost
oh
And the object of the game is not to pay the cost
oh
Anyone can play the game there are no rules
And you never know just what you've won until you lose

There's a rumour
There's a rumour
Rumour has it

...

They say he's gonna make this girl his everything
He's gonna love her and surround with all those
beautiful thinc
It was the most wonderful moment in my life I've had
My life ended on that eveninl thnt I lost him and it hurt
so bad

Rumour has it
There's a rumour
There's a rumour
Rumour has it

...

You never know what you've won until you've lost oh

...

There's a rumour
There's a rumour
Rumour has it
