Mr. Moonlight shine bright
Show me my Mr. Right
Lights, camera, action
I wanna be his sole distraction

Cupid draw your bow
Shoot it nice and slow
Send it straight to his heart

Love, don't let him go
You must let him know
This is love from the start

Say a little prayer
Say a little prayer for me tonight
Say a little prayer
Say a little prayer for my heart tonight

Mama always told me
(Sometimes)
"What you get is not what you see"
I'm not taking any chances
No more broken romances

Cupid draw your bow
Shoot it nice and slow
Send it straight to his heart

Love, don't let him go
You must let him know
This is love from the start

Say a little prayer
Say a little prayer for me tonight
Say a little prayer
Say a little prayer for my heart tonight

Say a little prayer
Say a little prayer for me tonight
Say a little prayer
Why don't you say a little prayer
For my heart tonight?

I promise to always love and care for him
I promise to do my very best for him
I promise to cherish him for all of my life

I promise to always love and care for him
I promise I'll always be there for him
I promise to love him for the rest of my life

Say a little prayer
Say a little prayer for me tonight
Say a little prayer
Say a little prayer for my heart

Say a little prayer
Say a little prayer for my heart tonight
Say a little prayer
Say a little prayer for my heart tonight

Say a little prayer
Say a little prayer for my heart tonight
Say a little prayer
Say a little prayer for my heart tonight
