She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right

She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right

Onetta there in the corner stand  
And wonders where she is and  
It's strange to her  
Some people seem to have everything

Nine a.m. on the hour hand  
And she's waiting for the bell  
And she's looking real pretty  
Just wait for her clientele

She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right

She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right

Twenty five years have  
Come and gone  
And she' seen a lot of tears  
Of the ones who come in  
They really seem to need her there

It's a sacrifice working day to day  
For little money just tips for pay  
But it's worth it all  
Just to hear them say that they care

She works hard for the money

So hard for it honey  
She works hard for the money  
So you better treat her right

She already knows  
She's seen her bad times  
She already knows  
These are the good times

She'll never sell out  
She never will  
Not for a dollar bill  
She works hard

She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right

She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right

She works hard for the money  
So hard for it honey  
She works hard for the money  
So you better treat her right
