Someday when we are wiser
When the world's older
When we have learned I pray

Someday we may yet live
To live and let live someday
Life will be fairer need will be rarer
And greed will not pay

God speed this bright millennium
On it's way let it come
Someday

Someday our fight will be won then
We'll stand in the sun then till then
On days when the sun is gone
We'll hang on wish upon the moon

There are some days dark and bitter
Seems we haven't got a prayer
But a prayer for someday better
Is the one thing we all share

Someday
Someday soon
