Winds may come and winds may blow
But there's no wind can cure me of my fever
Summer fever

Time of love, time of year
Temperature's rising, our bodies near in fever
Summer fever, fever, summer fever

Heat wave run, dog day night
We're making love, things are right with fever
Summer fever

You burn so deep with your love so sweet
And you satisfy and mystify my fever
Summer fever, fever, summer fever
Fever, summer fever

Body to body, arms entwined
Locked in your love and feeling fine with fever
Summer fever

It's the time of love, the time of year
Temperature's rising, our bodies near in fever
Summer fever, fever, summer fever
Fever, summer fever, fever, summer fever

Summer, summer fever
Summer, summer fever

Summer, summer fever
Summer, summer fever

Summer, summer fever
Summer, summer fever
Summer, summer fever

Winds may come and winds may blow
But there's no wind can cure me of my fever, I got
Summer fever, I got

You burn so deep, your love so sweet
And you satisfy and mystify my fever, I got

Summer fever, I got

Fever, I got, summer fever, I got

Fever, I got, summer fever, I got

Fever, I got, summer fever, I got

Fever, fever, fever

Summer fever

Summer fever

Summer fever

Fever, fever, fever, fever
