Father dear, don't you hear me  
I'm alone, and I can't sleep from crying  
Father dear, well if you hear me  
I've been held closely by a stranger

Sweet romance  
The moment that my eyes first saw him  
In a glance  
I knew right from the start that I adored him  
Sweet romance  
I may never see the man again, so help me find him  
So help me find him

Listen, if you find him  
Won't you tell him just how much I love him  
Father, I've only got you  
Please, won't you make him love me too

Sweet romance  
The moment that my eyes first saw him  
In a glance  
I knew right from the start that I adored him  
Sweet romance  
I may never see the man again, so help me find him  
So help me find him

Oh, oh, oh  
Sweet, sweet

Sweet romance  
The moment that my eyes first saw him  
In a glance  
I knew right from the start that I adored him  
Sweet romance  
I may never see the man again, so help me find him  
So help me find him

Father, hear me calling  
You're the only one I can turn to  
My life has been so empty  
And he could fill my emptiness too

Sweet romance  
The moment that my eyes first saw him  
In a glance  
I knew right from the start that I adored him  
Sweet romance  
I may never see the man again, so help me find him  
Help me, help me
