Oh baby, I've got all this love, it's more than enough
Oh baby, I'm filled with desire, I'm caught in your fire
Oh baby, you've got the power to turn me on

You knew it, you looked in my eyes, you read in my
mind
You move me, spinning me 'round, around and around
Oh, you have the power to rule my mind and soul

Take me, I'll be your woman
I'll make you a woman
Oh, use me, make me your own
I'll make you a woman
Take me, make me a woman
Make you a woman
Love me now, and don't leave me alone

Oh baby, there's something inside, that I just can't hide
Oh baby, well I want you so, just take me real slow
Oh baby, you've got the power to turn me on

I want you, I know what I want, I want what I see
And I need you, I need you right now, and you know
just how
Well I need you to cool the fire that's burning so

Take me, I'll be your woman
I'll make you a woman
Oh, use me, make me your own
I'll make you a woman
Take me, make me a woman
Make you a woman
Love me now, and don't leave me alone

Baby, baby, baby, oh baby
Oh baby, oh baby, oh baby
Oh baby, oh baby, oh baby

Oh, take me, I'll be your woman
I'll make you a woman
Oh, use me, make me your own
I'll make you a woman

Oh, take me, make me a woman
Make you a women
Oh, love me now, and don't leave me alone

Oh, love me now, and don't leave me alone
I'll make you a women
Oh, love me now, and don't leave me alone
I'll make you a women
Oh, love me now, and don't leave me alone
I'll make you a women
