What would I have to do  
to get you to notice me too  
do I  
stand in line  
one of a million  
admiring eyes

Walk a tightrope way up high  
write your name across the sky

I'm going crazy just to let you know  
you'd be amazed how much I love you so baby  
when I get my hands on you I won't let go  
this time I know it's for real

Should I write or call your home  
shout it out with a megaphone  
radio, TV news  
got to find a way  
to get my message to you

To say I love you with a neon sign  
anything to make you mine

I'm going crazy just to let you know

if I waited too long for you I might explode baby  
I've been around the block enough to know  
that this time I know it's for real

Oh baby  
this time, this time, this time, this time  
oh baby  
this time, this time

Walk a tightrope way up high  
write your name across the sky

I'm going crazy just to let you know  
you'd be amazed how much I love you so baby  
when I get my hands on you I won't let go  
this time I know it's for real

I'm going crazy just to let you know  
if I waited too long for you I might explode baby  
I've been around the block enough to know  
that this time I know it's for real
