Met the stranger there so I was
feeling somewhat scared
when I vacationed in a land that I
didn't know that well
but all the ladies there were nice
the gentlemen politely out of line
I kept on thinking how I'd like
to spend some time
I couldn't make up my mind, still
waitin' for the right sign
I was down in Tokio
livin' in hotel Imperial
Met this man, he was something
very strange
said he was a spy from somewhere
else way far away
he told me thing about myself that
I could tell nobody else
passed this message on to me, said
spirits move in secrecy
I could almost read the man's mind
waitin' for the right sign
Chorus
I really wanna know if I'm gonna go
live my life in Tokio, live my life in Tokio
Tokyo, live my life in Tokio
He passed this message on to me
said spirits move in secrecy
a double agent amnesty
an Ian Fleming mystery
I, I know I read the man's mind
I know I got the right sign
Repeat chorus
