Walk on
Walk on
Walk on

Keep on walkin' and don't look back
(Walk on)
You gotta keep on down the track
(Walk on)
The future's yours to shape and mold
(Walk on)
The past is past beyond control

So walk on
Walk on
Baby walk on
Walk on
Walk on
Walk on

You gotta struggle up them hills
(Walk on)
To realize the downward thrills
(Walk on)
When night confuses where you are
(Walk on)
Then just look up at that guiding star

So walk on
Walk on
Baby walk on

Baby baby let me walk with you
(Walk on)
Baby baby let me walk
(walk on)
Baby baby let me walk with you
(Walk on)
Baby baby let me walk
(walk on)

Baby baby let me walk with you
(Walk on)

Baby baby let me walk
(walk on)
Baby baby let me walk with you
(Walk on)
Baby baby let me walk
(walk on)

The wind may blow the sky may fall
(Walk on)
But if you're strong you'll go through it all
(Walk on)
And just as long as your aim is true
(Walk on)
There'll come a day your goal's in view
So come on

Baby baby let me walk with you
Baby baby let me walk
Baby baby let me walk with you
(Walk on)
Baby baby let me walk
(Keep on movin')
Baby baby let me walk with you
(Keep on groovin')
Baby baby let me walk
(Walk on)

And when you reach where you belong
(Walk on)
You'll find it's where you first started from
(Walk on)
And through it all you're still the same
(Walk on)
You swear it's them not you who's changed
So walk on, walk on, walk on

Keep on movin'
(Walk on)
Keep on movin'
(Walk on)
Keep on movin'
(Walk on)
Keep on movin'
(Walk on)

Baby baby let me walk with you
(Keep on movin' yeah)
Baby baby let me walk
(Walk on)
Baby baby let me walk with you
(Gonna keep on movin' yeah)

Baby baby let me walk
Walk on
Walk on
Baby walk on
