I've never had the luck to find  
This kind of love in my life before  
I knew there must be more

Started swaying the band  
Started playing inside of me  
Since you stole my heart  
Come on boy, take the rest of me  
The best of me

Whatever your heart desires  
Whatever you may need  
Just for you  
Whatever your love requires  
I'll follow every lead

I'm so glad this time  
Fate has changed her mind  
Took the tears from my eyes  
And what you do my arms

Imitations of love  
Just left me feeling bad  
All alone and so sad  
This is the best love I've ever had  
I've ever had

Whatever your heart desires  
Whatever you may need  
Just for you  
Whatever your love requires  
I'll follow your every lead  
Oh baby, yeah

I'm not afraid this time  
This is my kind of love  
So much joy in my life  
More than I was dreaming of

Started swaying the band  
Started playing inside me  
Since you stole my heart

Come on boy, take the rest of me  
The best of me

Whatever your heart desires  
Whatever you may need  
Just for you  
Whatever your love requires  
I'll follow your every lead  
Just for you
