You seduced me, baby, you looked at me with that look
in your eye
Reminiscing of a perfect angel, completely took me by
surprise
You know what I needed, so strong and yet so frail
Without a single word you called me and all the walls
came falling down

You're so beautiful, so, so magical
You're so far beyond irresistible, make me feel so
invincible
You're so beautiful, so, so darn mystical
My heart feels so unbreakable
You're the lover that I've always dreamed of

And you shared your feelings in these hidden letters
That you slipped in my pocket 'cause you're just too shy
to say
Let me assure you, baby, that I feel the same way you
do
Guaranteed I'll stay with you forever, oh, babe

You're so beautiful, so, so magical
You're so far beyond irresistible, make me feel so
invincible
You're so beautiful, so, so darn mystical
My heart feels so unbreakable
You're the lover that I've always dreamed of

Tell me you want me, babe, tell me you need me, baby
I really need to hear from you, let me know that
everything is true
Tell me that you wanna have me, that you really can't
live without me
And, baby, you can have your way, I just wanna hear
you say

You're so beautiful, you're so beautiful
You're so beautiful, beautiful, beautiful, ful ful ful
You're so beautiful, so, so magical
You're so far beyond irresistible, make me feel so
invincible

You're so beautiful, so, so darn mystical
My heart feels so unbreakable
You're the lover that I've always dreamed of

You're so beautiful, so, so magical
You're so far beyond irresistible, make me feel so
invincible
You're so beautiful, so, so darn mystical
My heart feels so unbreakable
You're the lover that I've always dreamed of
