Well you're all dressed up
And you have some place to go
Yeah you waited so long
Just to get into my show

Don't you know
That you're not invited
Don't you know
That it's why I like it
Backstage
There's no backstage for you
Because backstage
There's not enough room for you

You waited 'till the last song
Then you made your move
Drink after drink
'Till you got something to prove sweetheart

Don't you know
That you're not invited
Don't you know
That it's why I like it
Backstage
There's no backstage for you
Because backstage
There's not enough room for you

Ya you look so foxy
Ya your band has something new
And you're telling all your friends
That I wouldn't talk to you, no

Don't you know
That you're not invited
Don't you know
That it's why I like it
Backstage
There's no backstage for you
Because backstage
There's not enough room for you

Backstage
Backstage
