I know what I want tonight, and I see it coming off the street.

I'm going nowhere and I'm only seventeen.

I know about gettin' it on, and I want a little piece of you.

I'm thinking about taking a bite if you know what I mean.

Oh no. Oh no. I don't care what you wanna do.

Oh no. Oh no. I'm checkin' it out. That's right.

*[Chorus:]*

So don't try stopping my buzz, 'cause I'm checkin' it out.

(Check, check, checkin' it out)

And I don't care about you, 'cause I'm checkin' it out.

(Check, check, checkin' it out)

Ch-ch-ch-checkin' it out.

(Check, check, checkin' it out)

Ch-ch-ch-checkin' it out.

(Check, check, checkin' it out)

Ch-ch-ch-checkin' it out.

Get it boy, it's a lot from me, and I think I'm gonna get some now.

I've got a little sister and I'm gonna teacher her how.

I know about gettin' it on, and I want a little piece of you.

I'm thinking about taking a bite and I'm gonna right now.

Oh no. Oh no. I don't care what you wanna do.

Oh no. Oh no. I'm checkin' it out. That's right.

*[Chorus x2]*
