Boy, I got your number
That doesn't mean I have to call you
Get yourself together
Cause I don't need you like you want me to

Gotta loosen up
Drain the cup
It's time to tear it up

[Chorus]
Well I got one shot
And the night is young
So don't wait up for me
I need another hit before I'm done
So don't wait up for me

Boy, don't try to slow me down
You're not the only one that's on my mind
Got enough to go around
If you can't take it you'll be left behind

Gotta loosen up
Drain the cup
It's time to tear it up

[Chorus]
Well I got one shot
And the night is young
So don't wait up for me
I need another hit before I'm done
So don't wait up for me

There's no tellin where I'm gonna show up
Nobody knows how the night will end
There's no tellin when I'm gonna wake up
But when I do, I'll do it all again
Yeah!

Gotta loosen up
Drain the cup
It's time to tear it up
Now let me to you what I got!

[Chorus] x3
Well I got one shot
And the night is young
So don't wait up for me
I need another hit before I'm done
So don't wait up for me
