Doo wop wop
Doo wop wop
Every time I have a date there's only one place to go
That's to the drive in
Doo wop wop
It's such a rab place to go and maybe watch a show
Down at the drive in
Doo wop wop
Gonna have a little pill and maybe smoke a bowl
Then I went to the back so I can rock 'n roll
Down at the drive in
Doo wop wop
Down at the drive in
Doo wop wop
Doo wop wop
If the windows get foggy I'll have to take a breath
Down at the drive in
Doo wop wop
Twenty minutes to go there's no Correcto left
Down at the drive in
Doo wop wop
I wanna extra-large pizza and maybe have a token
But there's so much money, have to go go go
Down at the drive in
Doo wop wop
Down at the drive in
