You've been talking trash again, oh no
Don't pretend you're not my friend, oh no
You're up and down the halls, riding on the walls
Everybody knows it's you
(Shut up)
Show me what you're made of

Don't tell me lies, I'm not surprised
(Girls talk)
Who's talking about me
You're trying hard, but I'm still alive
(Girls talk)
Stop talking about me

G-I-R-L T-A-L-K, the girls talk

I'm not deaf and I'm not blind, oh no
You can't get away this time, oh no
You're up and down the halls, riding on the walls
Everybody knows it's you
(Shut up)
Show me what you're made of

Don't tell me lies, I'm not surprised
(Girls talk)
Who's talking about me
You're trying hard, but I'm still alive
(Girls talk)
Stop talking about me

G-I-R-L T-A-L-K, the girls talk

Think you're jealous much
All up in my business
Girl I've had enough
You better start running, yeah yeah yeah

You're up and down the halls, riding on the walls
Everybody knows it's you
(Shut up)
Show me what you're made of

Don't tell me lies, I'm not surprised
(Girls talk)
Who's talking about me
You're trying hard, but I'm still alive
(Girls talk)
Stop talking about me

G-I-R-L T-A-L-K, the girls talk
The girls
