Let's go on out it's friday night
I'm all revved up and I feel alright
Come on welcome, now I do
This is all we want to do

[Chorus]

I'm in a high school baby, yum yum
I'm in a high school baby, yum yum
I'm in a high school baby, yum yum
I'm in a high school
I'm in a high school

??? getting out of the car
This is where all the kids are
See ya downtown, here we go
Listen to the Romies on the radio

[Chorus]

This is what ???
I just ???
All my friends and all the kids
Go to where the action is

??? getting out of the car
This is where all the kids are
See ya downtown, here we go
Listen to the Romies on the radio

[Chorus]

I'm in a high school

I'm in a high school

[Repeat x3]
