Call all my friends, they're commin' right over  
We're all gonna get some four leaf clover  
The flavor of the month is ace of spades  
And then we'll sit back and chug lemonade  
Yeah, yeah, well it's just outta sight  
Yeah, yeah, c'mon and do it all night  
You gotta hook it up, baby You gotta hook it up  
Wanna get spaced out tonight  
You gotta hook it up, baby  
Blow my mind and feel all right  
This stuff'll knock you outta your seat  
So come one and get spaced out with me  
Uh-oh now it's time to hide the fumes  
No Wizard spray, we gotta use perfume  
Hook it up Hook it up  
Better make sure that the door is locked  
Let's do some more you know  
I'm fully stocked  
Let's look in the fridge and get some snacks  
Pizza Wispride caffeine to the max
