Got to lock my door tonight  
Gonna have a party alright  
All my friends are coming over tonight  
Gonna have a huffin' party tonight

Got to lock my door tonight  
Gonna have a party alright  
All my friends are coming over tonight  
Gonna have a huffin' party tonight

*[Chorus:]*

Yeah, yeah, gonna huff all night  
Yeah, yeah, gonna huff all night  
Yeah, yeah, gonna huff all night  
Yeah, yeah, gonna huff all night

Got to lock my door tonight  
Gonna have a party alright  
All my friends are coming over tonight  
Gonna have a huffin' party tonight

Got to lock my door tonight  
Gonna have a party alright  
All my friends are coming over tonight  
Gonna have a huffin' party tonight

*[Chorus]*

Hey!  
I wanna huff all night! (huff huff huff)  
Hey! (yeah yeah yeah)  
I wanna huff all night! (huff huff huff)  
Hey! (yeah yeah yeah)  
I wanna huff all night! (huff huff huff)  
Hey! (yeah yeah yeah)  
I wanna huff all night! (huff huff huff)  
Hey!
