[Chorus]

I don't wanna wanna go to school no more
I don't wanna wanna go to school no more
I don't wanna wanna go to school no more. No no
I don't want to grow up
I just want my Taco Bell

[Chorus]

No more science, history
English is just Greek to me
I don't wanna know my score

[Chorus]

Gimme that cheeba!

No more teachers, no PE
No more parents killing me

[Chorus]

I don't want to grow up
I just want my Taco Bell

[Chorus]

No more science, history
English is just Greek to me
I don't wanna know my score

[Chorus]

Gimme that cheeba!

No more teachers, no PE
No more parents killing me

[Chorus]
