You should've seen by the look in my eyes, baby  
There was somethin missin  
You should've known by the tone of my voice, baby  
But you didn't listen  
You played dead  
But you never bled  
Instead you lay still in the grass  
All coiled up and hiss'n

And though I know all about those girls  
Still I don't remember  
Cause it was us baby, way before then  
And we're still together  
And I meant, every word I said  
When I said that I love you I meant  
That I love you forever

And I'm gonna keep on lovin you  
Cause it's the only thing I wanna do  
I don't wanna sleep  
I just wanna keep on lovin you

And I meant every word I said  
When I said that I love you I meant  
That I'd love you forever

And I'm gonna keep on lovin you  
Cause it's the only thing I wanna do  
I don't wanna sleep  
I just wanna keep on lovin you
