I'm on my second drink
But I've had a few before...
I'm tryin' hard to think
And I think that I want you on the floor
Uh huh, yeah on the floor!

[Chorus]
Go on and take it off
(echo) Take it off!
You gotta shake it off baby, for me
C'mon and break me off
(echo) Break me off!
'Cause I get what I want and I like what I see

Need your love 1,2,3
Stop starin' at my D cup
Don't waste time, just give it to me
C'mon baby, just feel me up
C'mon, just give it up

[Chorus]
Go on and take it off
(echo) Take it off!
You gotta Shake it off baby, for me
C'mon and break me off
(echo) Break me off!
'Cause I get what I want and I like what I see

Forget the application...
You're the right guy for the task
Let me take you on vacation
Just do it, you don't have to ask!

[Chorus]
Go on and take it off
(echo) Take it off!
You gotta shake it off baby, for me
C'mon and break me off
(echo) Break me off!
'Cause I get what I want and I like what I see
Take it off
(echo) Take it off!

Take it off baby, for me
Take it off
(echo) Take it off!
Take it off baby, for me.
