Teenage runaway. (Oo-oo-oo)

Teenage runaway. (Oo-oo-oo)

Teenage runaway. (Oo-oo-oo)

Teenage runaway. (Oo-oo-oo)

Teenage runaway.

Teenage runaway.

Teenage runaway.

He left his chance behind

Dropped Coke for lemon-lime

Now what's he gonna do?

Gonna get some Mexican food.

[Chorus]

Won't have to go to school

Just hang out playing pool

Stay out late every night

He's gonna be alright

[Chorus]
