So what were you expecting  
Every song has a perfect ending  
But that's not good enough  
Not good enough for you

I thought you opened up your gates  
You claim that everyone relates  
What was I thinking when I thought  
That meant me too

I'll take note  
Put on my coat  
Leave you to read what I wrote  
So sorry you never wanted me  
But that's what made me want the gold medal!

Cheer on the circus clowns  
"This is the best of the towns"  
What do you get from them  
That you couldn't get from me?

It's where I got my start  
But not where I left my heart  
I take that with me  
Now I've seen what's underneath

I'll take note  
Put on my coat  
Leave you to read what I wrote  
So sorry you never wanted me  
But that's what made me want the gold medal!

I'll take note  
Put on my coat  
Leave you to read what I wrote  
So sorry you never wanted me  
But that's what made me want the gold medal!

I'll take note  
Put on my coat  
Leave you to read what I wrote  
So sorry you never wanted me

But that's what made me want the gold medal!  
THE GOLD MEDAL!!!
