Oh yeah, oh yeah
Oh yeah, oh yeah
Oh yeah, oh yeah
Living on a jet
Making love to someone else's dreams
Say it again
She puts her leg up
Well, calls it good luck
Do you know what I mean ?
Do you remember?
Well I remember

Oh no, oh no
Dream machine
So damn cool she can turn on the night
And turn off the lights
The more she gets
Well, the more that she needs
Do you know what I mean?
Do you remember?
Well I remember
Oh no, oh no

Too fast
Too fast for love
Too fast
You're too fast for love

Too fast
Too fast for love
Too fast
You're too fast for love

She's a streamline queen
On a sex craved movie screen
Say it again
She'll use her time up
Have nothing to show
Well mark my words
Do you remember?
Well I remember

You're too fast
You're too fast for love
You're too fast
You're too fast for love

You're too fast
You're too fast for love
You're too fast
You're too fast for love

You're too fast
You're too fast for love
You're too fast
You're too fast for love
