Sometimes you can't remember where you spent the
night
Sometimes your best friends are smoking me on lights

(But I can't get it all)
Give me power, get me me up on the stage
(Have it all)
I see you howling and I'm ready to play
(Get it all)
Pretty baby, you know I'm crazy
Yeah, yeah, yeah, yeah

I've got the feeling in my blood and in my bones
They've got each other tonight
But I'm still all alone when the show is over
When the show is over

Sometimes it falls apart but you can't let it go
Sometimes you've got the drugs and you just can't say
no

(But I can't get it all)
Give me power, get me me up on the stage
(Have it all)
I see you howling and I'm ready to play
(Get it all)
Pretty baby, you know I'm crazy
Yeah, yeah, yeah, yeah

(But I can't get it all)
Give me power, get me me up on the stage
(Have it all)
I see you howling and I'm ready to play
(Get it all)
Pretty baby, you know I'm crazy
Yeah, yeah, yeah, yeah

I've got the feeling in my blood and in my bones
They've got each other tonight
But I'm still all alone when the show is over
When the show is over

They've got each other tonight
