[Intro:]

Whoa... Yea...

What's Up Ya'll

It's us...

Amina & Jazz... Black Buddafly in the building right now

& We 'bout to tell ya'll how it is

Cause it's amazin

Shoutout to the haters

& If your a real artist you know what I'm talking about

They wanna change you...

Make you something your not

But stick to your goods

Stick to who you are

& be yourself

Remember that

Listen...

[Verse 1:]

I'm amazin'

We're amazed when...

I hit the stage and I'm rockin' with my twin...

Can be mistaken...

It's diva's in the making

Labels are slow but we're done with waitin

No matter what

You cannot take this from me

I truly won't let nobody change you I'll be

Cause I'm amazin'

We're amazin'

We are double

& No rihanna...

But we're superstars in trouble

See the good girl goin bads what...

Black Buddafly and all 5 said

And no matter what

You will not take me from

Won't let no one take my individuality

Cause I'm amazin

[Chorus:] [x2]

I'm amazin

We're amazin
So Amazin
So Amazin'

[Pre-Verse:]

Yea...
I know you know what we're talkin about right
Nobody ever wants to see you do good
Yea... But then you actually do good then they all
wanna be your friend
You know how it is Kanye
So this verse number three goes out to ya'll
Listen...

[Verse 2:]

If your amazin
& You; know it
Stand up for what you do before they blow it
This is your life
To do what you like
No disrespect to anyone
But it's do or die
& No matter what
You best stay strong and believe
Be good at what you got
& And just stay fly like me
Cause I'm amazin' [Yea... Yea... Yea... Oh]

[Chorus:] [x2]

I'm amazin
We're amazin
So Amazin
So Amazin'

[Outro:]

Don't get me wrong
We're not tryin diss nobody
Uh uh... We're just tryin to be us!
Just like your tryin to be you
& Your tryin to be you
Everybody's different
Just respect yourself
& Be yourself
Keep grindin'
