(Haines & Moore)

It's just French rock'n'roll  
It's just French rock'n'roll

When he slams the door  
And your nerves are raw  
And you've no-one but yourself to blame  
And you just want to end it all

It's just French rock'n'roll  
It's just French rock'n'roll

La, la la la, la la la  
La la la, la la la

Get yourself another lover  
And hope that he's the one  
But you know how the film's going to end  
And it's just only begun  
But you swear this one's forever  
Or at least hold to next breath  
Read the message on the bottle  
Going to drink yourself to death

Ouvrez la fen??tre  
Regardez la chansonnier  
Ecoutez la musique  
C'est parfait

La, la la la, la la la  
La la la, la la la

It's just French rock'n'roll  
It's just French rock'n'roll  
It's just French rock'n'roll  
It's just French rock'n'roll

I was at my wit's end  
Things were looking black  
It was getting pretty obvious

I was never coming back  
I threw open window  
And I stood out on the ledge  
When the sweetest sound I've ever heard  
Pushed me back from the edge

La, la la la, la la la  
La la la, la la la
