[Intro:]

He Is A Man
I am a girl
He lives in fantabulous world
Unlike me
I'm just a melody
That rides on the beat
Like a wave in the sea

[Verse 1:]

I was in love
He turned me around
He said you think your in love
Till know what loves all about
& tonight I'm gonna show you how loves suppose to
sound
Uh...

[Pre-Chorus:]

That's when he grabbed my hand
Pulled me out on the floor
Didn't even ask if I'm ready... ready...
He put his hands on my ears just so I could still hear
the drums
Looked in my eyes & I felt it... felt it

[Chorus:]

It was the love drum... [Love, love, love, love drum][x4]

[Verse 2:]

I had to feel like never before
& it was just unreal
How he had me open some more
Every eat changed me
Into something I thought I'd never be
Uh... [Baby...]

[Pre-Chorus]

Don't be scared
Tell me do you feel the same tonight
I wear my heart & it's matchin'... matchin'...

It was amazin... It was crazy
I had to make him mine
Let him take me to heaven... Heaven...

[Chorus:]

It was the love drum... [Love, love, love, love drum][x4]

[Verse 3:]

My heart lays on his chest...
2 step from the right to the left
Nothin' can compares to that
Your dancin' close to me
Heart beat the same speed
I'm fallin so deep...
Lemme feel Lemme feel Lemme feel it baby
I wanna feel lemme feel lemme feel it tonight
Lemme feel Lemme feel Lemme feel it baby
Uh...

[Pre-Chorus]

Don't be scared
Tell me do you feel the same tonight
I wear my heart & it's matchin'... matchin'...
It was amazin... It was crazy
I had to make him mine
Let him take me to heaven... Heaven... [Take me
there...]

[Chorus:][x2]

It was the love drum... [Love, love, love, love drum][x4]

[Verse 4:]

My heart lays on his chest...
2 step from the right to the left
Nothin' can compares to that
Your dancin' close to me
Heart beat the same speed
I'm fallin so deep...
Lemme feel Lemme feel Lemme feel it baby
I wanna feel lemme feel lemme feel it tonight
Lemme feel Lemme feel Lemme feel it baby
Uh...
