Got to get up got to get up got to get up  
Got to get up got to get up got to get up

And time won't take my love away

You're such a you're such a you're such a you're such a  
Hot temptation  
You just walk right in  
Walk walk walk right in

Got to get up got to get up got to get up  
Got to get up got to get up got to get up  
Got to get up got to get up got to get up  
Got to get up got to get up got to get up  
Walk right in  
Cuz you're right on time  
Cuz you're right on time, right on time  
Cuz you're right on time  
Cuz you're right on time, right on time  
Let me tell you, let me tell you  
What you do, what you do, what you do to me  
You're such a  
Hot temptation  
You just walk right in  
Walk walk walk right in  
Got to get up got to get up got to get up  
Got to get up got to get up got to get up  
Got to get up got to get up got to get up  
Got to get up got to get up got to get up  
Walk right in (away)  
Cuz you're right on time  
Cuz you're right on time, right on time  
Cuz you're right on time  
Cuz you're right on time, right on time  
Cuz you're right on time, right on time  
Cuz you're right on time, right on time  
Cuz you're right on time, right right right on time  
Cuz cuz you're right on time, right right right on time  
Away  
And time won't take my love away
