I'm grooming a soul boy
I'm taking my time
Because he's so young
Because he's so shy
Play Pool all night.

I'm Grooming a soul boy
I'm leading him on
Possessing him
Obsessing him
Undress him with my eyes.

Chorus:
Top pocket, I'll try a trick shot
Let me see, How good you are
Side pocket, move out the way
This is how it goes.

I'm grooming a soul boy
I'm teaching him things
Because he's so young
Because he's so old
I'm letting him win.

Chorus:
Top pocket, The facts of life
I'll teach you all, you need to know
Side pocket
This is how it goes.
