I'm swimming with the Deverell Twins  
I haven't got a care in a world, not a care  
They are looking after me

This is the age of chivalry  
This is the age of alchemy

I'm invited by the Deverell Twins  
I'm delighted to accept  
Their hospitality

This is the life of luxury  
It's the beginning of the end

They show me their charts  
Away to the stars  
Say I'm as pretty as a picture

I'm admired by the Deverell Twins  
They're very fond of me  
They tell me their secret

This is the age of chivalry  
It's the beginning of the end

They started the fire  
Stifled their grins  
No-one suspected the Deverell Twins

I'm enchanted by the Deverell Twins  
I'm as pretty as a picture
