I said I left my baby girl a message  
Sayin I wont be coming home  
Id rather be alone  
She doesnt fully understand me  
That Id rather leave than to chill  
If she gives me some time  
I can be the man she needs  
But theres a lot of lust inside of me  
And weve been together since our teenage years  
I really dont mean to hurt her, but I need some time  
To be alone

(chorus 1)  
But when you love someone  
You just dont treat them bad  
Oh, how I feel so sad  
Now that I wanna leave  
Shes crying her heart to me  
How could you let this be?  
I just need time to see  
Where I wanna be  
Where I wanna be...

Sweet little dee-do-dee-dee...  
I dont mean to hurt you, baby, oh, no, no...

(verse 2)  
Never did I imagine  
That you would play a major part  
In a decision thats so hard  
Do I leave, do I stay, do I go?  
I think about my life and what matters to me the most  
Girl, the love that we share is real  
But in time your heart will heal  
Im not saying Im gone  
But I have to find what life is like  
Without you

(chorus 1)

Sweet little dee-do-dee-dee...  
I dont mean to hurt you, baby

(chorus 2) x 3  
See when you love someone  
You just dont treat them bad  
Oh, how I feel so sad  
Now that I wanna leave  
Shes crying her heart to me  
How could you let this be?  
And I just need time to see  
Where I wanna be

Where I wanna be...
