Please give me more
More than just memories of you

All I have to keep me
Is my memories of you
I sit alone at night
And wonder what did I do

I've lost you, it's true but
I still have my memories of you
(Memories of you)

I gave you everything
But still you asked me for more
I hope I'm not the fool who
Didn't realize the score

Please give me more
More than just memories of you

Tell me what I've done
Tell me what I've said
I guess I used my heart
Instead of using my head

Knowing that I love you
How could you break my heart
Can't stand it any longer
Wondering why we're apart

Please give me more
More than just memories of you

Tell me what I've done
Tell me what I've said
I guess I used my heart
Instead of using my head

Knowing that I love you
How could you break my heart
Can't stand it any longer
Wondering why we're apart

Please give me more
More than just memories of you
(Memories of you)
