Got a hammer, nail  
And a hunk a wood  
I'll build a doll house

If you marry me the way  
I think you should  
I'll build a doll house

Cutest place you'll ever see  
Big enough for you and me

If you say you're gonna  
Love me all the time  
I'll build a doll house

Gonna be so happy when  
It's your and mine  
I'll build a doll house

Cutest place you'll ever see  
Big enough for you and me

Maybe I can't buy you  
All you're dreaming of  
But, baby, this I promise you  
You'll have lots of love

Got a hammer, nail  
And a hunk a wood  
I'll build a doll house

If you marry me the way  
I think you should  
I'll build a doll house

Cutest place you'll ever see  
Big enough for you and me

Maybe I can't buy you  
All you're dreaming of  
But, baby, this I promise you  
You'll have lots of love

Got a hammer, nail  
And a hunk a wood  
I'll build a doll house

If you marry me the way  
I think you should  
I'll build a doll house

Cutest place you'll ever see  
Big enough for you and me

Big enough for you and me  
I'll build a doll house
