Sugarpie, honeybunch

You know that I love you

Lord, I can't help myself

I love you and nobody else

In and out my life

You come and you go

Just leaving your picture behind

And I've kissed it a thousand times

When you snap your fingers

Or wink your eye

I come running to you

I'm tied to your apron strings, woman

And there is nothing that I can do

Sugarpie, honeybunch

I'm weaker than a man should be

Lord, Lord, I can't help myself

I'm a fool in love, you see

Hey, hey, hey, babe

I wanna tell you

I don't love you, woman

Tell you that we're through

And I've tried, pretty baby
Every time I see your face
I get all choked up inside
When I call your name, girl
It starts the flame
Burning in my heart
Tearing it all apart
No matter how I try
My love, I cannot hide
Sugarpie, honeybunch
You know that I love you, baby
Lord, I can't help myself
I'm a fool in love, you see
When you snap your fingers
Or wink your eye
I come running to you
Lord, I can't help myself
I love you and nobody else
Oh, Sugarpie, honeybunch
You know that I'm weak for you, baby
Good God, I can't help myself
I love you and nobody else
