I've been lookin'
At you all night
Dancing in the spot light
(Spot light)
And I now you saw me too
I been thinkin' bout
It all night
Wonderin if it's alright
If I can take you home

Girl
I know you came here to party
Been dancing all night long
(Try to take it from the floor)
Don't be afraid to grab somebody
(Oh, no)
You don't mean no harm
(Don't hurt nobody when you)

[Chorus:]
Ba ba back it up
Just back it up
Back back back it up
Drive em crazy
Back back back it up
Girl back it up
Back it up
Bring right back to me

It's like
We're dancin' at the disco
I just can't let this go
(Break it down)
Feels like
I found love on the floor
I don't even know your name
And don't who you came with
So girl just take my hand

Maybe I'm just bein' a fool
(Bein' a fool)

Girl, I don't even now you
(Girl I don't now)
Maybe
It's the way you dance
(The way you dance)
It got me wanting
To take you home
And see you

Chorus:
Ba, ba, back it up
Just back it up
Back, back, back it up
Drive em crazy
Back, back, back it up
Girl, back it up
Back it up
Bring right back to me

Turn around to the floor
Girl you got me lift up
Girl let's go out
And have some fun
(You drive me crazy)
Turn around to the bank
Girl just move like that
Damn go ahead
Come bring it right back
(Bring right back to me)

Rap:
Back, back, back it up
I love it when I see them
Fat stacks of butt
I don't have to
To flash a wax
Just to wrap it up
The song sets it off
And the rap
Just let the track bump
Let it rhyme one time
For the girls that knows
How to move their patroom
So smooth
That's mode of the groove
Now bring it back
Like you always to do
And and

Chorus:
Ba ba back it up

Just back it up
Back back back it up
Drive em crazy
Back back back it up
Girl back it up
Back it up
Bring right back to me

Donnie
Back it up girl

Let's see
What you can do
