Baby used to stay out every night  
But not no more  
Now me and baby always used to fight  
But not anymore  
Baby used to think it was alright  
But not no more  
Baby used to think I was a bore  
She don't think that no more  
She just a wants a good man  
Someone to understand her  
But it's too late cause  
Daddy don't live here anymore  
(No no no more)  
Daddy don't live here anymore  
(No no no more)  
Daddy don't live here anymore  
No more  
Now baby tries to call me all the time  
And when she don't get through she wonders  
Friends ask if I might have changed my mind  
But I just changed the number  
They all say you're not that kinda guy  
To be hiding from her  
Now all of them admit she was a tramp  
But won't you give her one more chance  
She's never gonna change  
Nobody's gonna rearrange her  
But it's too late cause  
Daddy don't live here anymore  
(No no no more)  
Daddy don't live here anymore  
(No no no more)  
Daddy don't live here anymore  
No more  
She's just a wants a good man  
Someone to understand her  
But it's too late cause  
Daddy don't live here anymore  
(No no no more)  
Daddy don't live here anymore  
(No no no more)  
Daddy don't live here anymore
