I found her on the floor
We was grinding
So close
She was touching on my dimonds
She Turnin Me On As She Windin
Baby girl you can touch it or not
I Don't Think She Can Handle Me
I love the way she dance with me
Something like a fantasy
Next thing you now
She got her hand on me

I'm All Up On The Floor
With My Shades On
Lookin For A Shorty
I'm a Take Home
Looked One In The Eyes
And She Came And Said
Ain't You That Boy
Named Donnie J
I said baby girl
Grab a hold of me
Make that body
Make it roll for me
I Like
That Take Control Of Me
