Life is a mystery
You never know
What it's gonna be
I didn't know
You were gonna leave
(And I was ready
To spend my life with you)
Know I still
Cross your mind
Do you still feel me
Deep inside
Do you still see me
When you close your eyes
Or did you find a way
To let me go

You never want
What you've got
But always want
What you can't
(Have)
You never miss something
Until it's gone
(Until it's gone)
I know in your heart
That you can't walk away
And if you
Want me to move on
Just say I ain't right
For you when you moved on
The feelings gone
Just say I ain't right
And I've been holdin' on
To love that's gone
Just say I ain't right

Seems like yesterday
I was the one
You love to chase
Now someone
Took my place

What do you see in him
You never saw in me?
And if he
Loves you better
(I'll walk away)
Or is it
She has shown you mine
Baby I'll say

But always want
What you can't
(Have)
You never miss something
Until it's gone
(Until it's gone)
I know in your heart
That you
Can't walk away
And if you want me
To move on

Just say
I ain't right
For you
When you moved on
The feelings gone
Just say
I ain't right
And I've
Been holdin' on
To love that's gone
Just say
I'm not right

I'm right (3x)
And, baby
I'll move on right
I'm right (2x)
Right, right

Just say
I ain't right
For you
When you moved on
The feelings gone
Just say
I ain't right
And I've been
Holdin' on
To love that's gone
Just say

I ain't right

Ain't right (5x)

Just say

I ain't right

Ain't right (5x)

Oooh, nooooo
