She used to be so innocent  
She used to be so ignorant  
She wasted all the time she spent  
(Doin' all her homework)  
She wasn't where her girlfriends went  
But since I showed her what's inside  
She left her girlish ways behind  
I used to work from 9 to 5  
But now I'm working overtime  
When I get home from work  
It's never the same  
Don't ask me how to explain  
(You know I never complain)  
She loves me once  
And then she loves me again  
Cause she's so wild  
You know she's got her way with me  
You know she gives me everything  
She gives me everything I need  
She's everything a girl can be  
She always meets me at the door  
She always wants to give me more  
She drags me down onto the floor  
I never know just what's in store  
When I get home from work  
It's never the same  
Don't ask me how to explain  
(You know I never complain)  
She loves me once  
And then she loves me again  
Cause she's so wild  
But since I showed her what's inside  
She left her girlish ways behind  
I used to work from 9 to 5  
But now I'm working overtime  
When I get home from work  
It's never the same  
Don't ask me how to explain  
(You know I never complain)  
She loves me once  
And then she loves me again  
Cause she's so wild
