I shoulda been stronger, when you left me baby,
I just didn't see it comin, (no)
You shoulda waited longer, we coulda worked it out,
I know eats you up inside, Now when you call the
phone,
Tellin me, basically you still love me I,
Cant believe your unbelievable,

(chorus)

Cuz I never really new it was endin,
But I shoulda seen it from the beginin,
When I use to be so independent,
Then all I did was think of you,
Girl you know I coulda showed ya,
Gonna keep head high on my shoulders
I'm better off now that it's over,
And I'm not gonna think of you,
Cuz I'm so over U, I'm so over U, I'm so over U yeahÂ...
I'm so over U, I'm so over U, I'm so over U, yeahÂ...

I shoulda known better, shoulda seen right through,
It was all about the chase, baby
Now I'm a little wiser, cuz of girls like you,
I learned from my mistake,
Now I can go out every night enjoy myself without the
fight,
Sayin no more, no more sleepless nightsÂ...

Cuz I never really new it was endin,
But I shoulda seen it from the beginin,
When I use to be so independent,

Then all I did was think of you,
Girl you know I coulda showed ya,
Gonna keep head high on my shoulders
I'm better off now that it's over,
And I'm not gonna think of you,

I use to wanna know, why'd you go an break my heart,
like we never meant a think at all
Times made me wise, no I didn't believe it when they

told me, that I'd get over UÂ...

Cuz I never really new it was endin,
But I shoulda seen it from the beginin,
When I use to be so independent,
Then all I did was think of you,
Girl you know I coulda showed ya,
Gonna keep head high on my shoulders
I'm better off now that it's over,
And I'm not gonna think of you,

Cuz I never really new it was endin,
But I shoulda seen it from the beginin,
When I use to be so independent,
Then all I did was think of you,
Girl you know I coulda showed ya,
Gonna keep head high on my shoulders
I'm better off now that it's over,
And I'm not gonna think of you,
Cuz I'm so over U, I'm so over U, I'm so over U yeahÂ...
I'm so over U, I'm so over U, I'm so over U, yeahÂ...
