I'm so over you  
I'm, I'm so over you  
I'm, I'm so over you  
I'm, I'm so over you  
I'm, I'm so over you  
I'm, I'm so over you

(verse 1)

I should've been stronger  
When you left me baby  
I just didn't see it comin, no  
Should've waited longer  
Could've worked it out  
i know it eats you up inside  
Now when you call my phone tellin me you missin me  
you still love me  
I can't believe it, you're unbelievable

Chorus

Cause i never really knew it was ending  
But i shoulda seen it from the beginning  
when i used to be so independent  
Then all i did was think of you  
Girl, you know what i could've showed ya  
I'm gonna keep my head high on my shoulders  
I'm better off now that it's over  
And i'm not gonna think of you  
cause i'm so over you, i'm so over you, i'm so over you  
Yes, i'm so over you, i'm i'm so over you, i'm i'm so  
over you... Yes

(verse 2)

I should've known better  
I should've seen right through  
It was all about the chase, baby  
Now i'm a little wiser  
Cause of girls like you  
I learned from my mistakes  
Now i can go out every night, enjoy myself without the  
fights  
And no more, no more sleepless nights, yeah

#### Chorus

Cause i never really knew it was ending (i never knew)  
But i shoulda seen it from the beginning (oh yeah)  
when i used to be so independent  
Then all i did was think of you  
Girl, you know what i could've showed ya (i could've  
showed ya)  
I'm gonna keep my head high on my shoulders  
I'm better off now that it's over (i'm better off)  
And i'm not gonna think of you

#### Breakdown

I used to wanna know, why'd you go and break my  
heart  
Like we never met my babe, at all  
Time has made me wise  
I know i didn't believe it when they told me  
That i would get over you

#### Chorus

Cause i never really knew it was ending  
But i shoulda seen it from the beginning  
when i used to be so independent  
(oh baby) Then all i did was think of you  
Girl, you know what i could've showed ya (oh)  
I'm gonna keep my head high on my shoulders (oh)  
I'm better off now that it's over (i'm better off)  
(oh girl) Cause i never really knew it was ending  
But i shoulda seen it from the beginning  
when i used to be so independent  
Then all i did was think of you  
Girl, you know what i could've showed ya  
I'm gonna keep my head high on my shoulders (oh  
yeah)  
I'm better off now that it's over  
And i'm not gonna think of you  
cause i'm so over you, i'm so over you, i'm so over you  
Yes, i'm so over you, i'm so over you, i'm so over you...  
Yes
