(Speaking):

Baby
I'm just gonna be
Real right now
I know
What you're
Going through
I've been
Through it before
I'm here
For you, listen

Girl

I know the pain you feel
I felt the same way too
Over time
Your heart will heal
I promise this to you
Girl
I've waited way too long
To tell you this
I'm so in love with you
All I can do is hope
That u feel
The same way too

Chorus:

Girl, I could fall
Back in love with you
(Girl, I could fall
Back in love with you)
Over, over and over
And over again
(Over and over again)
Your broken heart
Can lead to you and me
Together
Forever for better
Or worse
Baby trust when I say
I'll heal
Your broken heart

Ohh, girl
Your broken heart
Yeah
Girl
I heard the things
He said
It wasn't meant for you
(Nah)
Girl
I saw the tears you she'd
I know
What you've been through
Girl
I fell in love again
The moment
That I laid
My eyes on u
All I can do is hope
That u feel
Tthe same way too

(Chorus)

Girl
I see the questions
In your eyes
I know
It's hard to trust
I'm not that guy
I'm the answer
To your prayers

Your broken heart
Can lead
To you and me
Together
Forever for better
Or worse
Baby
Trust when I say
I'll heal
Your broken heart
Ohh, girl
Your broken heart
